FOR IMMEDIATE RELEASE

Square Foot Ministry, City of Cordele & Crisp Ministerial Association Partner Together To Bless Cordele Family With A New Home In November

Square Foot Ministry of Fayetteville, GA is honored to announce the construction and awarding of a new home in Cordele, Georgia. The first stage of the home build will take place November 9th – November 13th on 29th Avenue East, where volunteers, partners and community members will join together to to begin what will become a comfortable home for Iesha Moore of Cordele and her daughter, Ah'Promise.

The family has been an active and uplifting part of the Cordele community for many years. Their story reflects faith, resilience, determination, and a deep commitment to education, service and personal growth.

Iesha is originally from Miami, FLA. She moved to Cordele during her teenage years, a move that helped shape her into a determined, compassionate and hardworking individual. A devoted parent, Iesha is deeply and rightfully proud of her daughter Ah'Promise's accomplishments both in the classroom and on the athletic field.

Iesha graduated from Crisp County High School and South Georgia Technical College, earning her Licensed Practical Nursing (LPN) degree, a childhood dream she worked tirelessly to achieve. With 6 years of experience as an LPN, she has found her calling in caring for others, providing comfort, and treating people with patience and respect. Iesha is currently furthering her education toward becoming a Registered Nurse (RN), which will further expand her ability to serve.

Ah'Promise is an energetic and dedicated 6th-grade honor roll student, who participates in BETA Club, serves on her school cheer team, plays travel softball, and practices tumbling. Ah'Promise's academic credentials and dedicated

participation in multiple extracurricular activities demonstrate a strong future filled with endless opportunities.

Ilesha is excited for this lifechanging opportunity, stating, "Owning a home would provide my daughter and me with stability, security and a permanent place to call home. As a healthcare professional, I work hard to support my family. Home ownership would allow me to build equity instead of paying rent each month. Having a safe and affordable home would reduce financial stress, and provide a stable environment for my daughter to grow and succeed. Owning a home would give us a stronger foundation for our future."

Square Foot Ministry is honored to walk along side Ilesha and Ah'Promise as they literally walk across the threshold of an exciting new life chapter.

Square Foot Ministry (SFM) is a faith-based non-profit 501 (c) (3) organization. We put our faith into action by helping low-income individuals and families attain safe, healthy homes by providing an interest-free mortgage with a low down payment and a reasonable mortgage payment for qualified homeowners.
